MISSION STATEMENT

Gaudenzia, Inc. was founded in 1968 with the mission of teaching chemically dependent individuals to lead a drug free life and educate the public about chemical dependency.

To further this goal, Gaudenzia has developed a training institute and opened it up to other treatment professionals and human service agencies. Thus, the goals of our training institute are:

To share with the treatment community our knowledge and skills based on over 40 years of service;

To enhance the services provided to the chemically dependent individual through on-going education for treatment providers;

To assist Drug and Alcohol Treatment Professionals in obtaining state honored education and;

To make a contribution towards upholding the standards of treatment, through the on-going education of treatment professionals.
